

**REMARKS:**

These remarks are submitted together with a Request for Continued Examination of the present application in which claims 1, 6-16 and 19-28 are pending. Claims 1, 6-16 and 19-28 stand rejected.

In preparing a brief pursuant to the Notice of Appeal filed May 9, 2008, Applicants noted an inadvertent and unintentional typographic error introduced into claims 1, 11 and 16 in the amendment filed April 26, 2007. In the present paper claims 1, 11 and 26 have been amended to remove the recitation that the base has “a centrally located aperture sized to receive a razor cartridge” and apply this same recitation to the shaving aid body. This amendment is supported in paragraph [0021] of the specification and no new matter was added.

The Applicants contend that the claims as amended herein are allowable. The Applicants therefore respectfully request that the rejections be withdrawn and the present application be passed onto allowance.

Authorization is given to charge the fee under 37 C.F.R. 1.17 (e) for the RCE and the fee for the one-month extension of time to Deposit Account No 50-4112. The Applicants believe that no additional fees are due with the filing of the present response, however, if any additional fees are deemed due, authorization is given to charge the same Deposit Account.

Respectfully submitted,
